SEND BIDS and DONATIONS – Hoosiergcsaa@gmail.com

AUCTION ITEMS CAN BE FOUND AT – Hoosiergcsa.com (Note difference)

MAXIMUM

TEAMS 30 Teams – Please register ASAP!

TIME: Sign-In / Lunch 10:30 A.M.
Shotgun: 12:00 P.M.

FORMAT: Florida Scramble

COST: \$60.00
(Includes lunch, range, carts, proxy winners and golf)

This year our format is a **Florida Scramble**. You may play with players from any of the three chapters. This format means that the players take the best shot all the way through to the end of the hole. You will record one score on your scorecard. This format is a popular format and speed of play and scoring is better. If you have questions, the Pro Shop will explain this at the start of the shotgun.

This year, we again are coordinating this tournament with a fundraiser auction for the **Wee One Foundation**. This foundation raises money to assist golf course management professionals (or their dependents) who incur overwhelming expenses due to medical hardship without comprehensive insurance or adequate financial resources. Since its inception, the foundation has gifted over \$ **1,800,000** to families in the golf industry. More information can be found at weeone.org.

I am requesting donations from Distributors and anyone for services and/or hard goods. Example donations might be restaurant certificates, major league baseball packages, anything that someone would love to have along with any hard goods that your company might sell or need.

Again, this year, we will be advertising what is in the auction on our **Hoosier GCSA website**. This will be updated as gifts are donated and the bids will be posted. The deadline for posting the bids will be **Sunday, June 12th**. The bid sheets will be posted at the tournament to give everyone one last time to bid. I hope all three associations take part in the bidding to raise as much money as we can for this fantastic foundation. If you receive the winning bid, you will be invoiced from the Wee One foundation, **so you don't have to pay at the tournament.**

Remember: Go to www.HoosierGCSA.com website to look at the products and services offered as donations. You can contact Kerry Ohlwine at HoosierGCSAA@gmail.com to add your donation and place your bids.
